## MINIMUM CHARGE: \$80

Have a tech come out and diagnose your machine, price parts, and figure out how to proceed.

\*\$80 WEST BAY TO GEORGE TOWN - \$100 BODDEN TOWN TO EAST END & NORTH SIDE

## AVERAGE REPAIR: \$160-225 + PARTS

This is our ballpark repair cost which includes our minimum charge.

A tech will confirm the costs after the initial diagnostic.

We provide a 90 day warranty on parts & labour.

## MULTIPLE REPAIRS ON THE SAME APPLIANCE

Sometimes multiple repairs are necessary to restore full operation.

A secondary repair is charged at our minimum rate.

## MULTIPLE REPAIRS AT THE SAME LOCATION

For the first appliance, our average repair is \$160-225 + Parts.

For subsequent appliances, we give a 30% discount on labour per appliance. If

the appliance is not worth repairing or the owner chooses not to repair,

our minimum diagnostic fee is \$80 for the first appliance

and dropped to \$45 for each consecutive appliance.

## AFTER HOURS

Repair days can unexpectedly run long and a repair occurring after regular business hours incurs NO additional charge unless scheduled for such time.

If a call is received after regular business hours, for an emergency or on a holiday a \$100 (Eastern Districts \$120) 'after-hour charge' will be applicable with hourly charges at the same rate after the first hour.
